

Park School and Outreach Service

Newsletter November 2023

The Thursday of the year...

We couldn't think of a better way to celebrate the run-up to the most magical time of the year than to celebrate the brilliance of our students. This issue of the Newsletter will champion some (not all) of the achievements our students have made so far this year.

The run-up to Christmas in school is always a busy time, so please keep your eyes peeled for updates on details about the Christmas Fair, the Christmas show, class trips and lots more. As always, the school Facebook page, website, Class Dojo and this sensational Newsletter will keep you posted.

We hope your November is unbeleaffable!

It is imperative that **All parents join Parent Mail** as the school will be going cashless in 2024. The school will not be accepting cash or cheques for school meals, HE fund, School fund, charity donations, non-uniform days etc. We also intend to do school announcements via this method. Please check that you are signed up to Parent Mail and **contact the office if you need support.**

CHRISTMAS FAIR

We would love to invite you, your family and friends to our Annual Christmas Craft Fair, taking place on Thursday 7th December from 1.30pm - 4.30pm.

Park School presents...

SCHOOL of Rock 19.12.2023

7pm

Tickets
available
soon...

An overly enthusiastic guitarist gets thrown out of his band and finds himself in desperate need of work. Posing as a substitute music teacher, he exposes his students to the hard rock gods he idolizes - much to the consternation of the principal...

This sounds right up our street (and a great deal like Mr McKinley) and will no doubt showcase the talents of our amazing students (and staff alike).

Further information will be released in due course.

No Parking the bus here...

Congratulations to the KS3 Footballers who this month won the Castle Tower 5-aside Football tournament.

A massive well done to all the KS4/5 students who competed in the interschools 7-aside football competition at St Gerard's School. The team battled well, reaching the semi-finals, with the whole squad playing a part.

Their attitude was superb!
Well done to all involved!

A Titanic Triumph

Year 10 students recently completed their wooden Titanic projects, demonstrating a blend of craftsmanship and teamwork. Beyond shipbuilding, this project developed their teamwork, problem-solving and time management skills, offering valuable life lessons.

Well done to Year 10 for their dedication and hard work. Their wooden Titanic projects set them on a promising course for the future.

Young Enterprise

SPECTRUM & PIECE BY PIECE

Post 16 having been working hard all term as entrepreneurs.

In September two companies were formed, names and slogans created, and job roles assigned. Both companies are currently well into production of their Christmas decorations for the Christmas Fair on the 7th December and also a pop up stall at St George's Market on 6.12.23.

An Ulster Champion!

Congratulations to Lewis Guiney on being crowned the new Ulster Novice Boys 100kg Champion
